Become a CHARTERED Geologist or Scientist

- A peer reviewed process which requires a high standard of knowledge, competence and professionalism
- The hallmark of professional achievement, recognised in the UK and in an expanding number of countries
- Identifies you as competent and professional in your chosen speciality, and binds you to an enforced Code of Conduct
- Recognises your achievement within your industry and among your peers
- In some sectors Chartered Geologists can sign off legal papers and reports
- Chartered Geologist makes you eligible to apply for the title of European Geologist

CGeol or CSci?
